

For 103 years United Methodists have been working in Española, NM. When Mellie Perkins, a United Brethren deaconess, started the school in October of 1912, there were no other schools of any kind in the Española Valley. The first missionaries were teachers, nurses and preachers. They shared their faith and worked diligently to improve the lives of people. Over the last 103 years McCurdy started the first medical clinic staffed with a missionary doctor, the first nursing program, the first and now the only hospital in Española, the first recreation program and the first fire department, all while educating tens of thousands of children.

In 2012 McCurdy Schools of Northern New Mexico, the United Methodist national mission institution, went through a name change and a shift in our ministry focus. We are now called **McCurdy Ministries** and our mission is to ***“share the love of God through education and mission.”*** In August of 2012, McCurdy Charter School (MCS), a K-12<sup>th</sup> grade New Mexico public school, opened on our campus. Currently, MCS has 540+ kindergarten to 12<sup>th</sup> grade students. McCurdy Ministries continues our United Methodist mission work through the McCurdy Pre-K Program (a free morning preschool for four year olds), McCurdy Preschool (a low cost faith based afternoon preschool), Project Cariño (our mental health ministry), After School Care, Camp Stars (our summer camp combining STEM learning and VBS fun), fun faith building activities like the Thanks Fest for elementary
