

McCurdy Ministries Community Center

*Helping students and their families succeed
In school & in life in Española, New Mexico*

For 105 years United Methodists have been making God's difference in Española, NM. When Mellie Perkins, a United Brethren deaconess, started the school in October of 1912, there were no other schools in the Española Valley. Over the last 105 years McCurdy started the first medical clinic, the first nursing program, the first hospital, the first GED program, the first recreation program and the first fire department, all while educating tens of thousands of children in the Española Valley. In 2012, we helped start McCurdy Charter School and in 2016, we donated land buildings and expertise to help the school secure their own campus on our western boundary.

In August of 2017, McCurdy Ministries became **McCurdy Ministries Community Center**. Our mission is ***“helping students and families in the Española Valley succeed in school and in life.”*** We provide free our mental health counseling and breakfast and lunch program for MCS students and our preschool, after school care and summer camp ministries to the broader community. We welcome United Methodist Volunteer in Mission Teams and individual volunteers to our campus. In addition, starting in the fall of 2017 McCurdy Ministries Community Center will focus on educational ministries for the entire family. The high school will become an Adult Ministries Center with High School Equivalency, ESL, literacy, IT and citizenship classes for youth and adults with quality childcare. In addition, we will provide parenting/grand parenting support groups. McCracken Gym will become a Teen Center. Bachman Hall will become a Retreat Center with expanded volunteer and retreat ministries as well as a dining hall and industrial kitchen. The elementary school will become a Children's Ministries Center with expanded preschool, after school care and summer camp programs.

We believe that the plans we are making over the next five years will help make God's difference in the Española Valley for the next 100 years. While our valley is filled with some of the most loving, kind generous people the need for the difference McCurdy Ministries' makes in Española is great. According to the U.S. Census Bureau statistics, 22% of adults 25 and over have not graduated from high school and 29% of the population lives below the poverty line. According to our Health Department 60% of grandparents are raising their grandchildren.

To accomplish the improvements to our buildings and campus God is calling us to do; we will need the help of all our McCurdy friends. Here are a number of ways you can help McCurdy Ministries make God's difference in the Española Valley:

Donate and encourage others to donate regularly to McCurdy. Make a donation of cash, stocks, land or an appreciated asset. ***Send us Campbell's Labels, Box Tops for Education and Tyson A+ labels.*** Donate a gift annuity to earn income during your life and bless McCurdy with a donation after your death. ***Organize a Volunteers in Mission Team from your church and come enjoy Northern New Mexico.*** Remember McCurdy Ministries in your will. ***Set up an endowed fund in the McCurdy Foundation.*** If you purchase a new car, donate your old one to McCurdy for a tax deduction. ***Make McCurdy a beneficiary of a life insurance policy.*** Remember McCurdy in your estate trust. ***Invite the McCurdy church relations team to your church program, dinner or worship event.*** Donate to McCurdy through Advance #581479 for the general fund. ***Pray for our ministries daily!***
