

For 104 years United Methodists have been making God's difference in Española, NM. When Mellie Perkins, a United Brethren deaconess, started the school in October of 1912, there were no other schools of any kind in the Española Valley. The first missionaries were teachers, nurses and preachers. They shared their faith and worked diligently to improve the lives of people. Over the last 104 years McCurdy started the first medical clinic staffed with a missionary doctor, the first nursing program, the first hospital, the first GED program, the first recreation program and the first fire department, all while educating tens of thousands of children in the Española Valley.

In 2012 McCurdy Schools of Northern New Mexico, a United Methodist national mission institution related to Global Ministries and the UMW National Office, went through a name change and a shift in our ministry focus. We are now called **McCurdy Ministries** and our mission is to ***"help students and families in the Española Valley succeed in school and in life."*** We fulfill our mission by providing programs to 560 McCurdy Charter School (MCS) students and their families and by providing educational programs to the broader community. MCS is a K-12th grade New Mexico public school located on the west side of our campus. We provide free our mental health counseling, After School Care and the Breakfast and Lunch program for MCS students. In addition, McCurdy Ministries provides preschool and Camp Stars, our summer camp, to the broader community. Starting in the fall of 2017 McCurdy Ministries will become a Community Center focused on educational ministries for the entire family. The high school will become an Adult Ministries Center with GED, ESL, literacy, IT and citizenship classes for youth and adults. In addition, we will provide parenting and grand parenting support groups and quality childcare. McCracken Gym will
