## Adopt a specific area in the Children's Ministries Center

McCurdy Ministries Community Center (MMCC) considers it a privilege to express gratitude and appreciation to participating congregations and individual donors by offering an opportunity for donors to adopt a specific area or areas within the building plan to fund.

To adopt an area in the new Children's Ministries Center, the church or individual gift should equal or exceed the estimated cost of the space, as illustrated on the room legend. This assures total funding of items. Adoptions are first come first reserved. If you have questions or if you or your church is interested in choosing an area to fund, please contact Diana Loomis at 505-753-7221, ext. 352, to let MMCC know to place a hold on the area you chose.

The participation of all donors will be recognized in an appropriate area of the building with special notations for the adopted area. Thank you for your generosity!

<span style="display:inline-block; width:15px; height:15px; background-color:lightgray; border:1px solid black;"></span> CIRCULATION

Hovermale Elementary School will become the Children's Ministries Center. The Preschool, After School Care and Camp Stars programs will be moved into this building. Within three years the plan is to have two all day preschool classes and one younger elementary and one older elementary After School Care classes during the school year. We also plan to begin a year round Child Care Program in the southwest wing of the building. Camp Stars will use most of the building during the summer. The bathrooms will be renovated, the handicapped accessibility improved and energy efficiency improvements will be made including a new metal roof, HVAC, windows and exterior envelope to the building.

Thanks to FBT Architects for providing these drawings and the entire MMCC Master Plan as an in-kind gift to our ministries.
